

Uniform Policy 2010 - 2011

Bourne Community College is a “uniform” College. All students wear uniform without exception. A uniform helps to give unity and identification to a school, it can make less obvious the different financial circumstances of parents and students from the temptations of temporary extremes of fashion.

The College holds stock of “nearly new” uniform and we welcome enquiries if parents are interested.

We are grateful to parents for their full support in seeing that high standards are maintained in the wearing of uniform, tidiness and cleanliness. Our students have considerable pride in the membership of this College: their co-operation with parents in this matter is indicative of that feeling.

We assume all parents will ensure their children dress according to this uniform list and will support the College.

We expect a high standard of dress whilst students make their way to and from College and during the College Day.
